

Department of English Memorandum

To: FEPC
From: Kate Frost
Date: 2/27/83

I'm interested in trying out the new reader from St. Martin's Press called A World of Ideas: Essential Readings for College Writers. I think it might suit my 306 class for next fall. An examination copy is on the way and, if I like it as much as I think I will, I'd be eager to have the Committee look at it.
