University of Texas at Austin
Austin, Texas 78712

Dear Dean Meacham,

I am one of your "Special Students" L00300 since January 1989. The controversy surrounding E306 has caused me to reflect about the many aspects of that situation to which I have no direct connection and with respect to which I have no special qualifications for rendering an especially well grounded opinion. Nevertheless, I wish to share with you my thoughts on the matter.

Dean Meacham

Respectfully submitted.

Sincerely yours,

Sidney A. Ellis
