John J. Ruszkiewicz
Director of Freshman English

Dear John:

I understand your reasons for requesting that the FEPC Textbook subcommittee remove the Corder/Ruszkiewicz Handbook of Current English / 7th Edition from its list of handbooks under consideration for adoption next year.

The subcommittee, however, has decided unanimously to consider every textbook sent to us by a publisher. We feel that selection of the best books for our freshman makes necessary impartial consideration of the widest range of texts. Given the arduous and objective nature of our selection process, we are confident that no potential exists for charges of conflict of interest.

Sincerely,

A handwritten signature in cursive script that reads "Kate Frost".
