To: Freshman English Policy Committee

From: Ron Stroud

Since the film of Nixon's "Checkers Speech" is so useful and so frequently used in teaching rhetoric at U.T., and since the Freshman English Policy Committee already encourages the ~~sm~~ study of this speech in printed form by mimeographing copies of it, I recommend that it is cheaper and more convenient for the English Dept. to buy this film than to repeatedly reserve and pay a projectionist to show the print now reportedly owned by the History Dept. Therefore, I urge you to ask that the Department of English purchase this film.
