"on the cUTting edge"

Join us in hosting UT English professor John Ruskiewicz as he comes to promote UT to our local students. He spoke out during the "political correctness" controversies a few years ago and recently chaired the committee charged to revise admission policies in the wake of court decisions that declared affirmative action unconstitutional. Come out and let potential students know that if they are up to learning "on the cUTting edge", UT-Austin is the place for them!

*Media coverage may include a taping of PBS Perspectives and a live appearance on the 24th from 1-2 p.m. on "KGNC's Forum".
